## ROBERT PITTMAN

FOUNDER + CHAIRMAN OF  
MTV & iHeartRadio CREATOR

"We're dealing with a culture of teenage babies, they can watch TV, do their homework, and listen to music all at the same time. The strongest appeal you can make is emotional. If you can get their emotions going, make them forget their logic... you've got them. **At MTV, we don't just shoot for the 14 year olds - we OWN THEM.**"

## USHER

"Decide for yourself whether you're ready or not. Virginity is something to be valued. You're not less hip if you're not having sex. A lot of people are under that impression. **Don't be pressured into it**, because you never want to do something that you'll live to regret."

## BRITTANY MURPHY

8 Mile, Just Married

"Tina, **I don't agree with what I'm doing**, but I feel like I have to do this in order to get ahead in the industry."
